Dear Mr. Lehmann and Ms. Crockett:

This letter serves as notification that on Monday, August 8, 2011, the Loudoun County Historic District Review Committee (HDRC) approved your Certificate of Appropriateness 2011-0014 to replace the German siding on the east elevation of your historic home with lapped wood siding. The application was approved as submitted in your application received by the County on July 5, 2011.

Please sign the enclosed Certificate of Appropriateness and return it to me in the envelope provided. I will obtain the necessary County signatures and return the Certificate to you for your files.

On behalf of the Committee, I want to thank you for working with the HDRC on this application and to commend you on your efforts to preserve the character of the Waterford Historic District. I wish you good luck as you proceed with your project and look forward to seeing the final product!

Sincerely,

Lauren E. Murphy
